NOTES—First Sheet.

Kind reference is invited to Secretary's orders dated the I3th August I9I3 in page 5 of the notes in G.M.F.I26 of I9I3-I4 Sl.q etc., re the stock of tents that has to be maintained in the Secretariat Stores :-

2. From the experience of the last two years it is found that this scale is quite inadequate to meet the requirements during the Dasara and Birthday Festivities and also in connection with the tours of the Dewan and Members of Council. Arrangements in connection with the Dasara and Birthday are becoming more and more elaborate and a larger number of camps have to be arranged almost at the same time in connection with the tours of the Dewan and Members of Council. The needs of each camp have also increased. To meet these increasing demands additional tents are obtained on loan from the Government House, Mysore. Under the circumstances it appears desirable to revise out scale of stock to be maintained in the Stores by the addition of I0 more tents, 5 more rowties and 5 more necessary tents.

3. A list of tents in stock at the Secretariat

Stores is put up. The following statement shows the stock of tents at present in the Stores as against the scale to be maintained under the order of 1918 and the proposed scale.
